

# ANNUAL MEETING OF THE SOUTHEASTERN SOCIETY OF PARASITOLOGISTS GUIDE TO AUTHORS

## ABSTRACT SUBMISSION

To submit an abstract to the 2018 SSP Annual Meeting complete and email the Abstract and Presenter Form (fillable pdf) to the Program Chair (Dr. Gabriel Langford; [glangford@fhsouthern.edu](mailto:glangford@fhsouthern.edu)) by **March 15, 2018**. In the event of a last minute cancellation or other problem, please contact the Program Chair. Please use this filenaming convention "last name-ssp2018.pdf" for submission of the abstract.

**ABSTRACT (See example below; abstract text must be 250 words or less):**

**Example: Author(s). Institution(s). Title. (next line) Abstract text.**

GRIJALVA, MARIO J.<sup>1</sup>, MIGUEL PINTO<sup>2</sup>, AND JAIME A. COSTALES<sup>1</sup>. <sup>1</sup>Tropical Diseases Institute, Biomedical Sciences Department Ohio University, Athens OH. <sup>2</sup>Biological Sciences Department, Catholic University, Quito, Ecuador. Isolation of *Trypanosoma cruzi*-like organisms from rodents and marsupials in the coastal region of Ecuador. The coastal area of Ecuador is endemic for Chagas' disease. Although information is becoming available on *Trypanosoma cruzi* seroprevalence in humans, little is known about the sylvatic...

\*note that superscripts and italics can be typed in normal font and will be corrected by Program Chair after submission
